# Walls

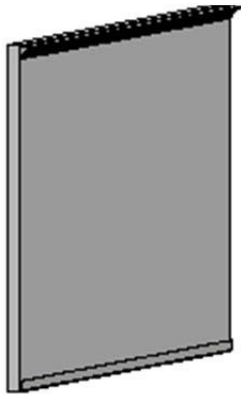

## Internal Walls

Catering for Pre-Fab and Stick built construction.

Also catering for internal lining, such as plasterboard and wet area board.

Labour and supply are quantified in the estimating side of Envisioneer.

Drawing templates can be used for pre-fab or stick built to completely quantify the framing members.

90mm Cornice and skirting boards are on all walls.

(NOTE: No engineering is supplied and all care but no responsibility is applied to this catalog.

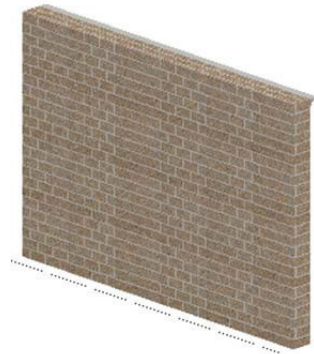

It is compiled to assist you the end user to move forward with Envisioneer as quickly as possible.)

- Internal Walls.
  - 70mm Plasterboard/Plasterboard
  - 70mm Plasterboard/Wet Area Board
  - 70mm Wet Area Board/Wet Area Board
  - 70mm Plasterboard one side
  - 70mm Wet Area Board one side
  - +++++
  - 90mm Plasterboard/Plasterboard
  - 90mm Plasterboard/Wet Area Board
  - 90mm Wet Area Board/Wet Area Board
  - 90mm Plasterboard one side
  - 90mm Wet Area Board one side\_
  - +++++
  - 70mm Dwarf - Plasterboard/Plasterboard
  - 90mm Dwarf - Plasterboard/Plasterboard
- Face Brick - Veneer Walls.
  - 220 - Brick Veneer - 70mm Frame - Plasterboard.
  - 220 - Brick Veneer - 70mm Frame - Wet Area Board.
  - 240 - Brick Veneer - 90mm Frame - Plasterboard.
  - 240 - Brick Veneer - 90mm Frame - Wet Area Board.
- Rendered Brick - Veneer Walls
  - 220 - Render Veneer - 70mm Frame - Plasterboard.
  - 220 - Render Veneer - 70mm Frame - Wet Area Board.
  - 240 - Render Veneer - 90mm Frame - Plasterboard.
  - 240 - Render Veneer - 90mm Frame - Wet Area Board.

## Veneer Walls

We have catered for face brick and rendered brick veneer walls.

These also quantify internal linings, and framing.

*(NOTE: You can if necessary change the 70mm or 90mm to 75mm or 100mm depending on the framing specification you use in your area.)*

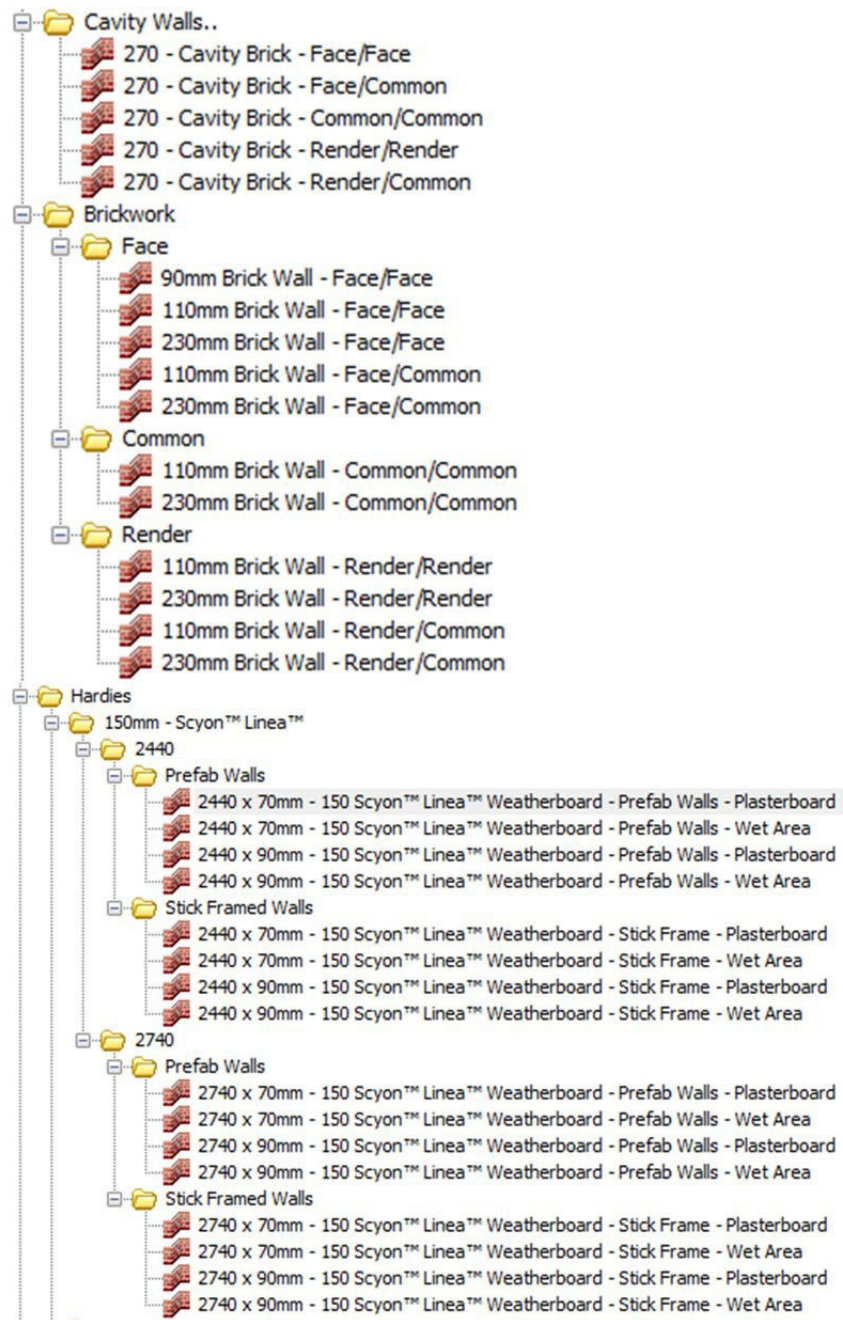

***We have also added materials such as Boral and Austral bricks to the materials library.***

## Brickwork

We have catered for cavity work for walls, and also for single skin brickwork that can be used in sub-floor areas.

## Linea 150

We have added all James Hardies horizontal weatherboards. The boards have been added as trim and look real and you can quantify the boards as well as colour them any colour you wish to impress your client.

## Linea 180

We have added all James Hardies horizontal weatherboards. The boards have been added as trim and look real and you can quantify the boards as well as colour them any colour you wish to impress your client.

## Chamfer

We have added all James Hardies horizontal weatherboards. The boards have been added as trim and look real and you can quantify the boards as well as colour them any colour you wish to impress your client.

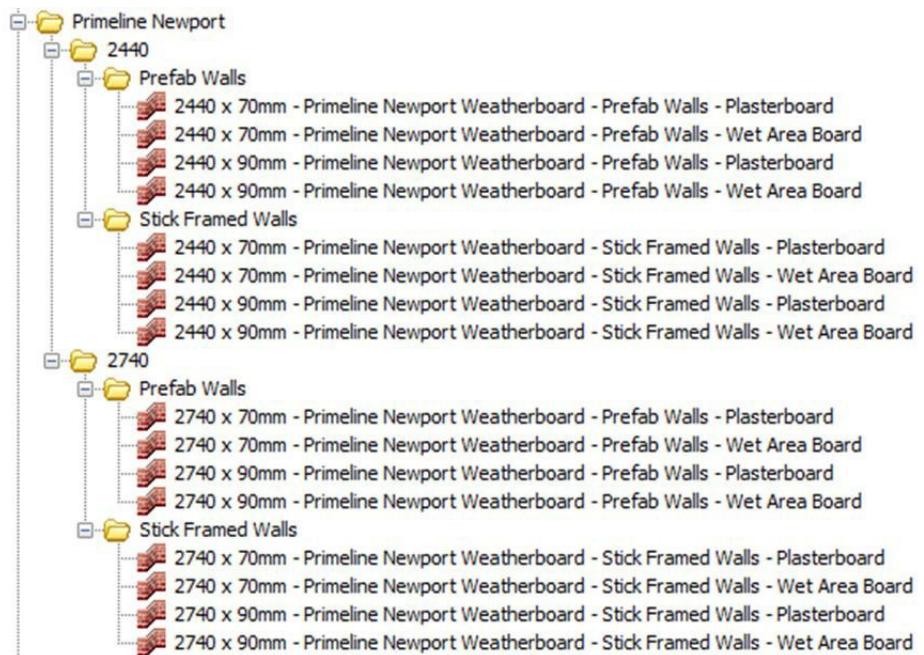

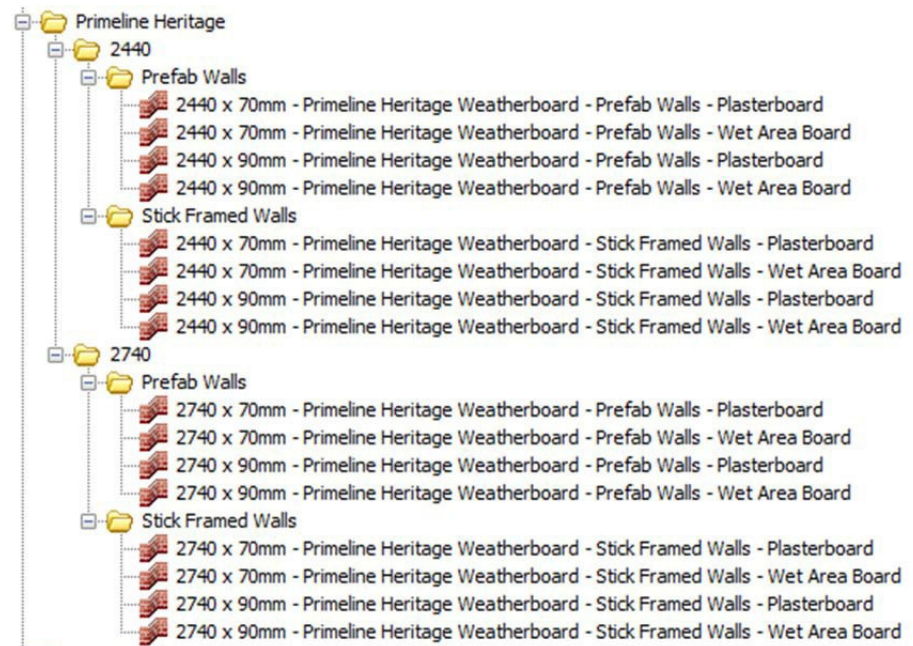

## Heritage

We have added all James Hardies horizontal weatherboards. The boards have been added as trim and look real and you can quantify the boards as well as colour them any colour you wish to impress your client.

## Newport

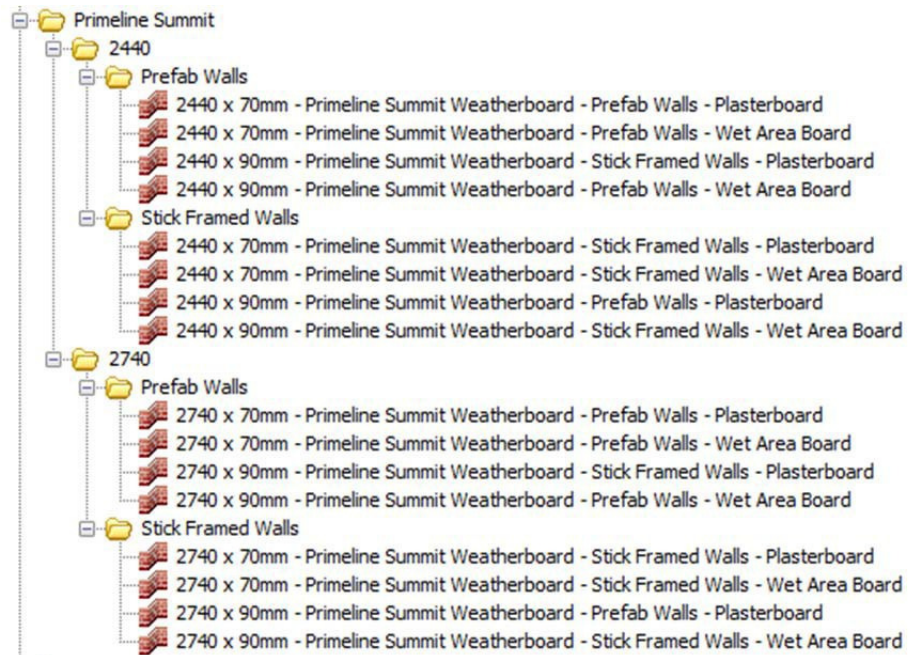

We have added all James Hardies horizontal weatherboards. The boards have been added as trim and look real and you can quantify the boards as well as colour them any colour you wish to impress your client.

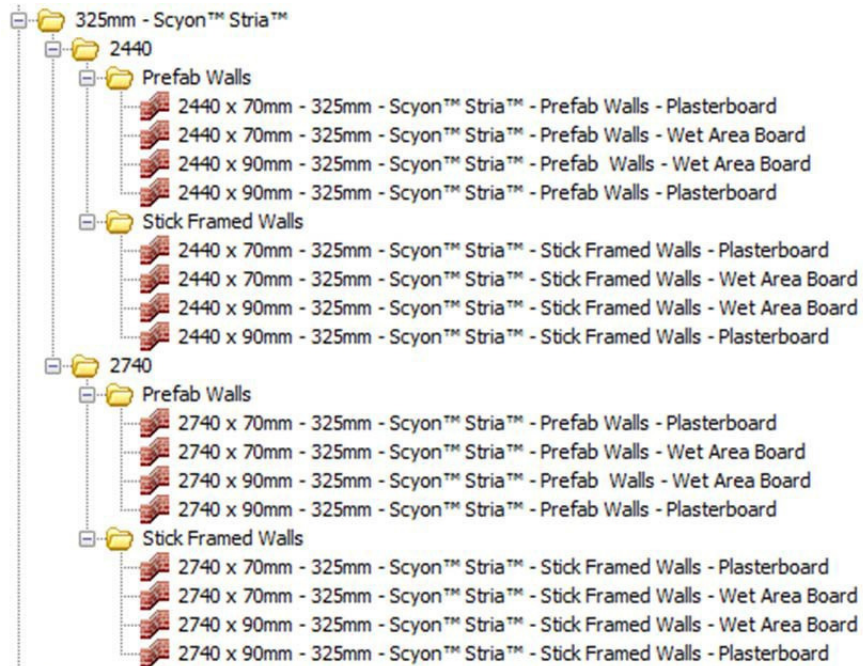

## Summit

We have added all James Hardies horizontal weatherboards. The boards have been added as trim and look real and you can quantify the boards as well as colour them any colour you wish to impress your client.

## Stria 325

We have added all James Hardies horizontal weatherboards. The boards have been added as trim and look real and you can quantify the boards as well as colour them any colour you wish to impress your client.

## Stria 405

We have added all James Hardies horizontal weatherboards. The boards have been added as trim and look real and you can quantify the boards as well as colour them any colour you wish to impress your client.

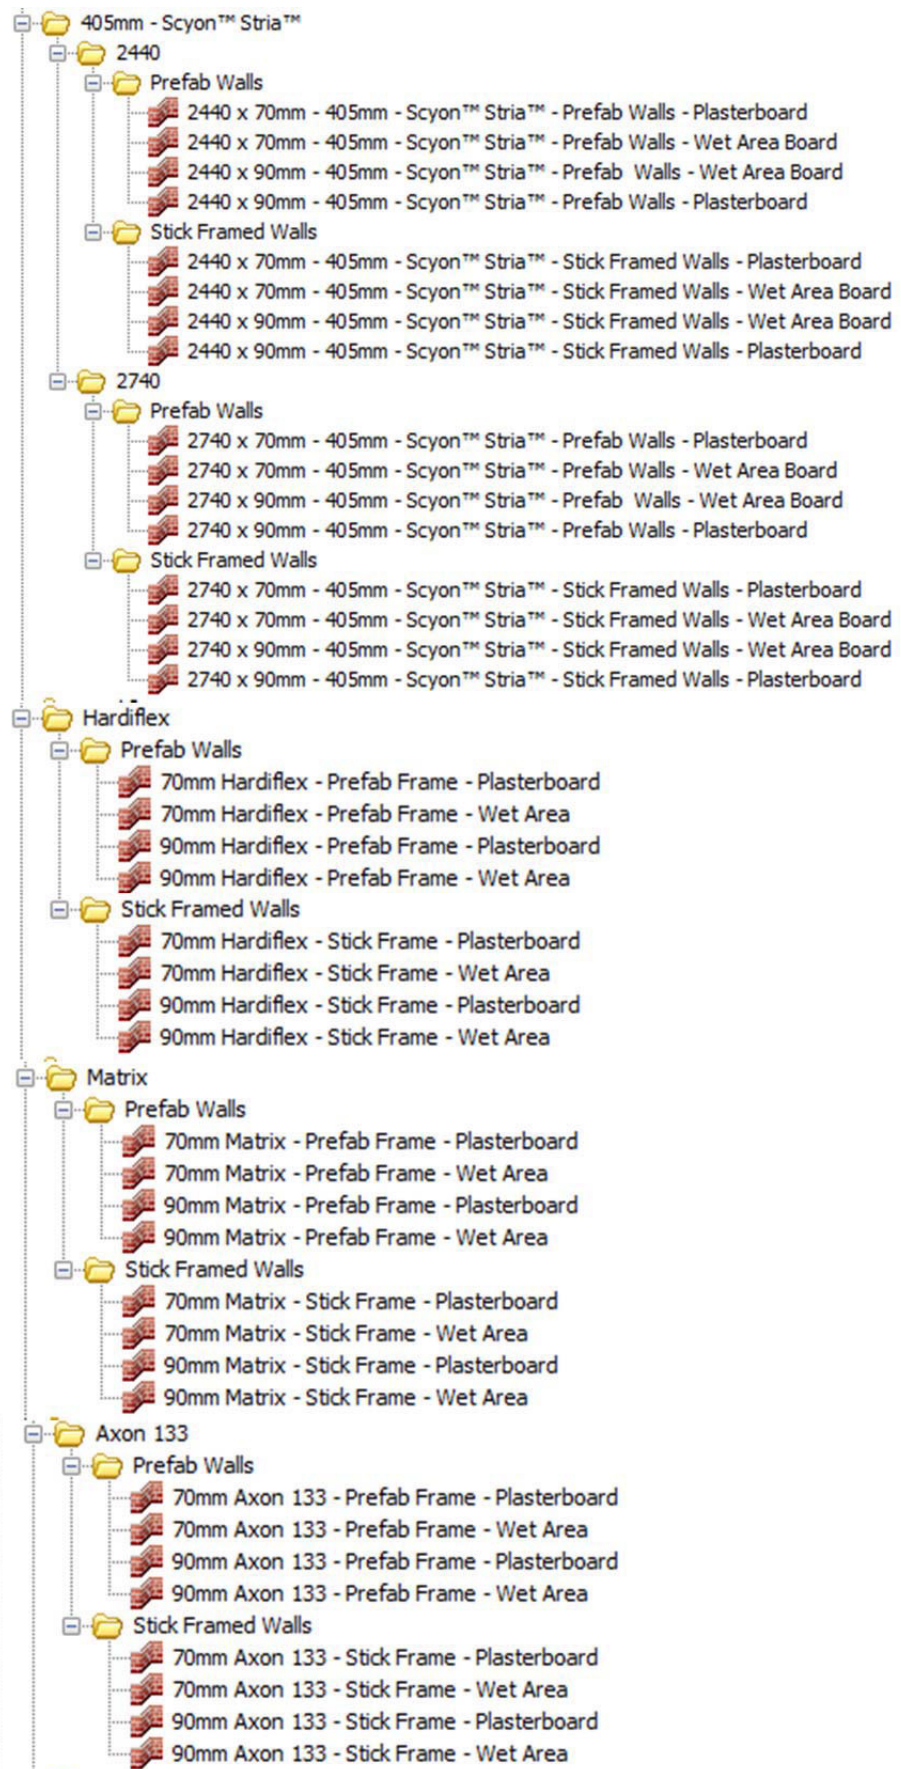

## Hardiflex

We have added all flat sheeting as well. We have catered for express joints by using members and columns to get any pattern you wish for your clients

## Matrix

We have added all flat sheeting as well. We have catered for express joints by using members and columns to get any pattern you wish for your clients

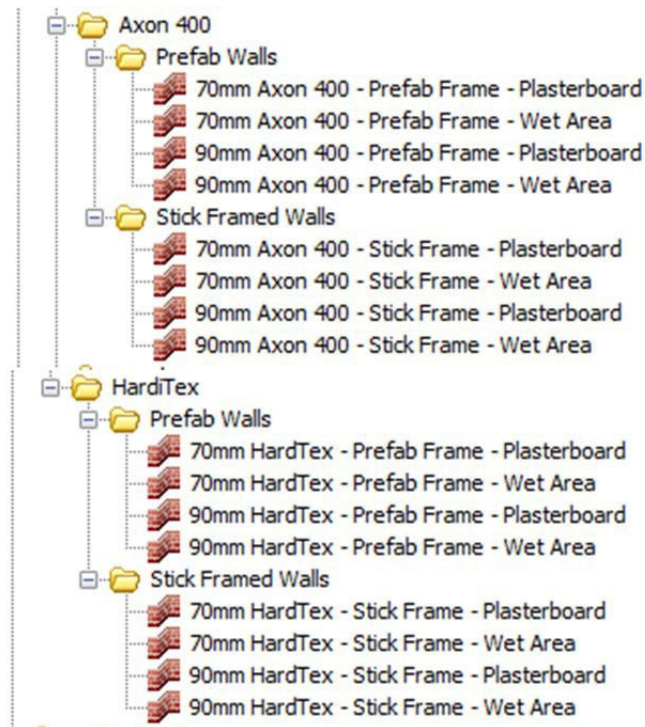

## Axon 133

## Axon 400

## HardiTex

**There any many more walls but above are the bulk that are commonly used.**

# ❖ Doors

## External Doors

### Entrance

Doors have been created to cover 70mm and 90mm walls. We have also catered for both 2040 and 2340 high doors.

All doors will quantify door, jambs, furniture, hinges, stops etc.

*(NOTE: Remember you can change the 70mm and 90mm at your own desire.)*

Entrance	
70mm Wall	
70 x 2040 x 770mm - Hinged - Entrance Door	
70 x 2040 x 820mm - Hinged - Entrance Door	
70 x 2040 x 870mm - Hinged - Entrance Door

90 x 2340 x 1500mm - Pivot Entrance Door	

### French

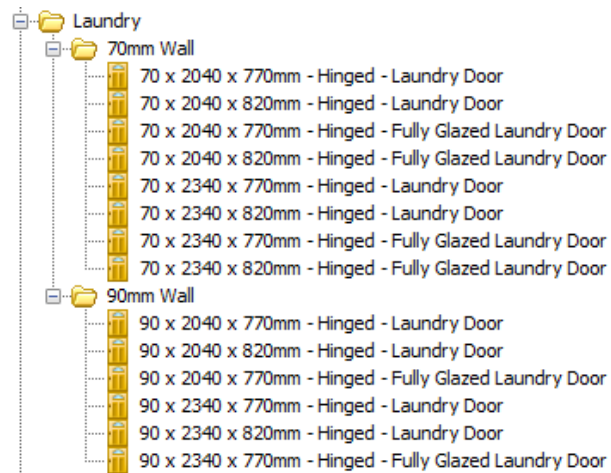

Doors have been created to cover 70mm and 90mm walls. We have also catered for both 2040 and 2340 high doors.

French	
70mm Wall	
70 x 2040 x 1640mm - Hinged - Rebated Double French Door	
70 x 2340 x 1640mm - Hinged - Rebated Double French Door	
90mm Wall	
90 x 2040 x 1640mm - Hinged - Rebated Double French Door	
90 x 2340 x 1640mm - Hinged - Rebated Double French Door	

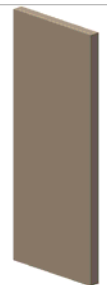

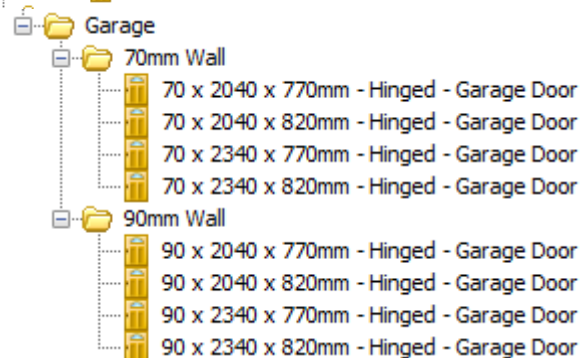

## Laundry

Doors have been created to cover 70mm and 90mm walls.

## Garage

Doors have been created to cover 70mm and 90mm walls.

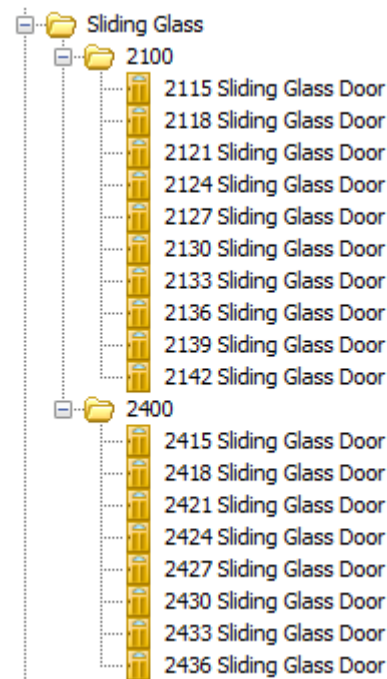

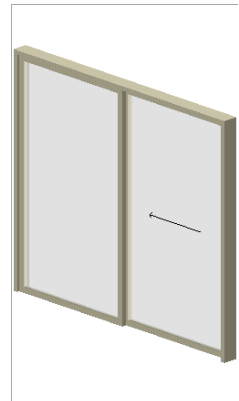

# Patio Doors

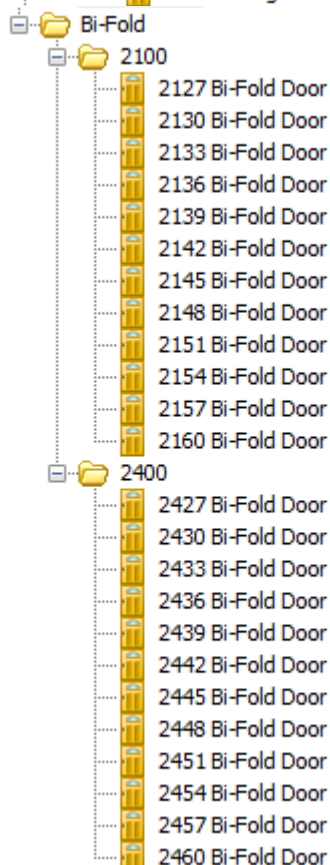

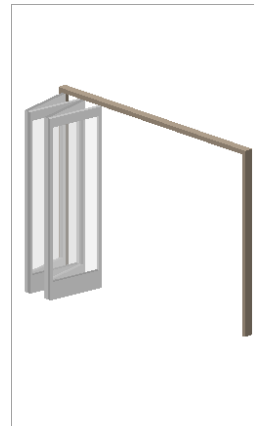

## Sliding Glass

Doors have been created to cover 70mm and 90mm walls. We have also catered for both 2100 and 2400 high doors.

## Bi-Fold

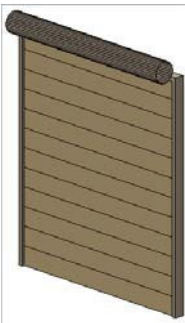

Doors have been created to cover 70mm and 90mm walls. We have also catered for both 2100 and 2400 high doors.

# Garage Doors

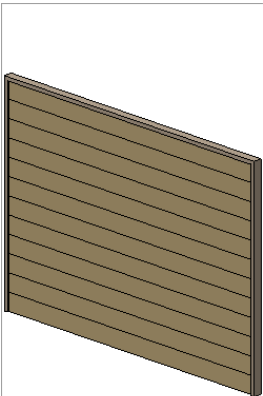

## Roller

Doors have been created to cover 70mm and 90mm walls.

## Panel Lift

Doors have been created to cover 70mm and 90mm walls and also for 2440, 2590 and 2740 ceiling heights to reduce the head size over the door.

Roller	
2135 x 1800	Roller Door (2440)

## Bi-Fold

Doors have been created to cover 70mm and 90mm walls.

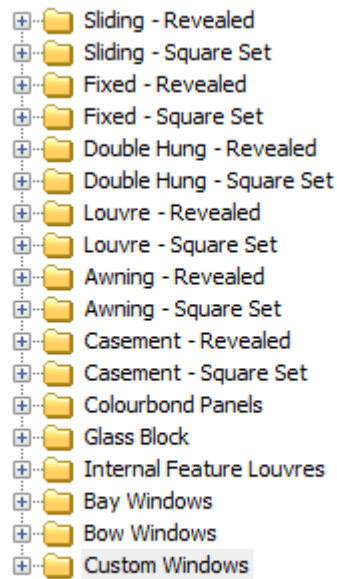

# Windows

## Windows

Windows have been created in two groups of each type.

Revealed, for revels and architrave, the architrave will quantify.

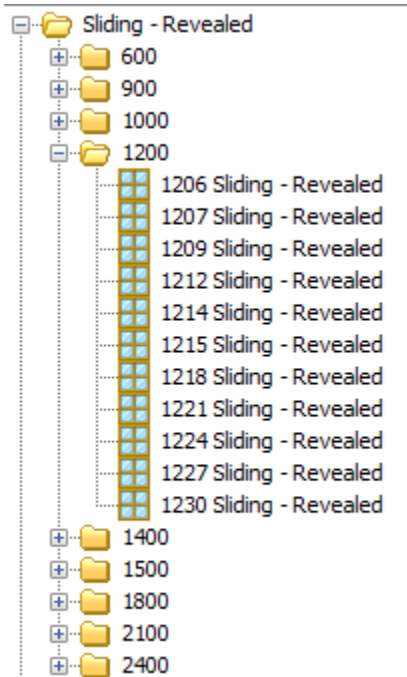

Square Set, for either block work or where you want to square set rather than have architrave,

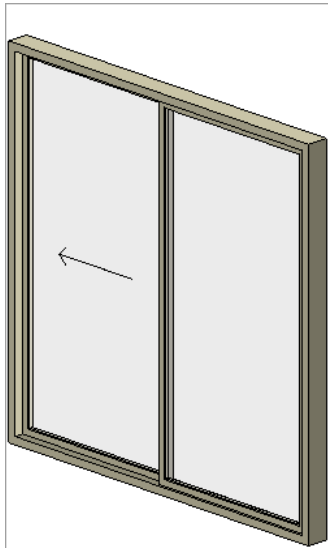

## Window Groups

Each window group expands out to window heights, and then each height expands out to all the widths of these windows we have allowed for in each group.

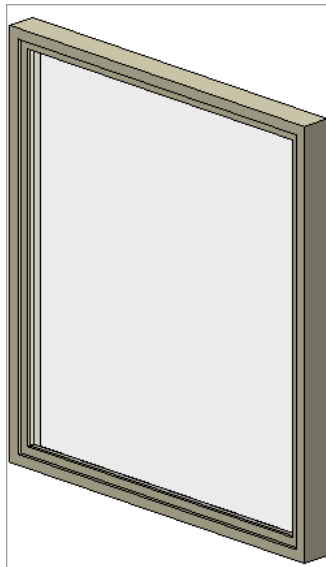

You are able to modify or add additional sizes to cover specifications which may not be allowed in this catalog.

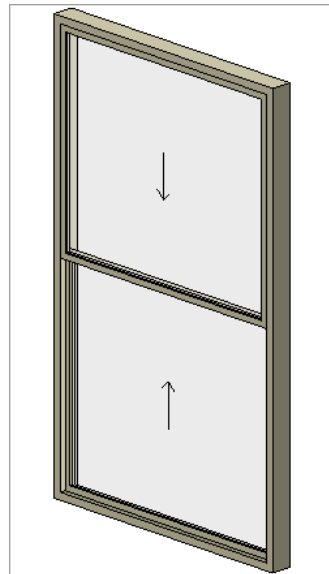

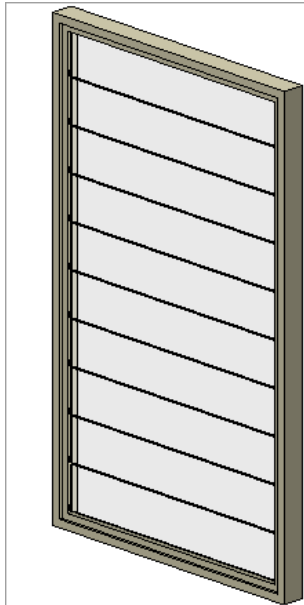

Sliding

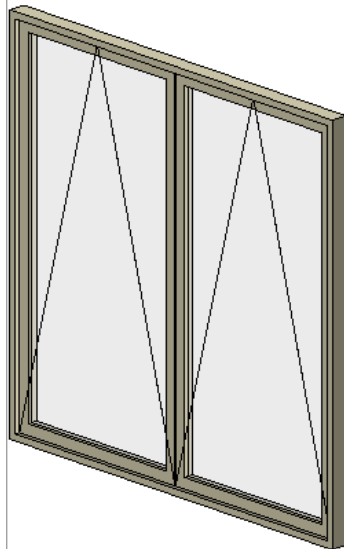

Fixed

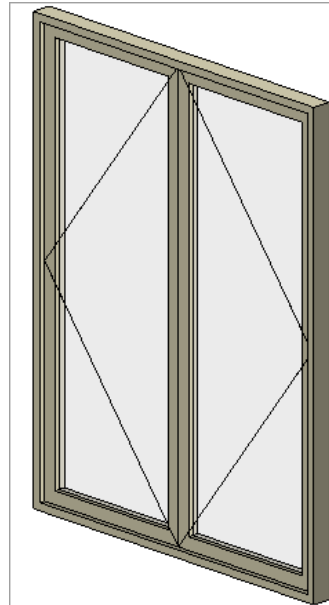

Double Hung

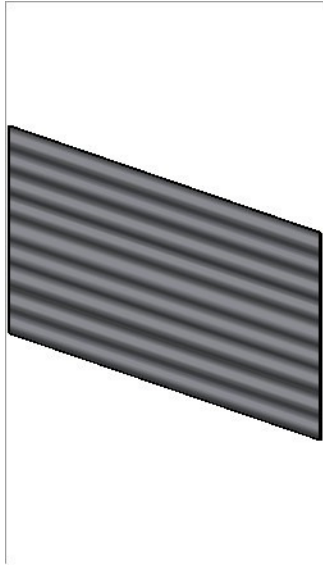

Louvre

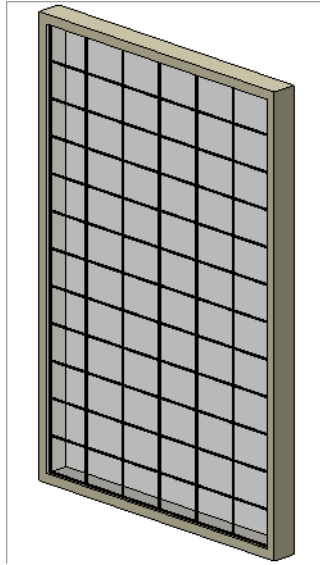

Awning

Casement

Colourbond Panels

Glass Blocks

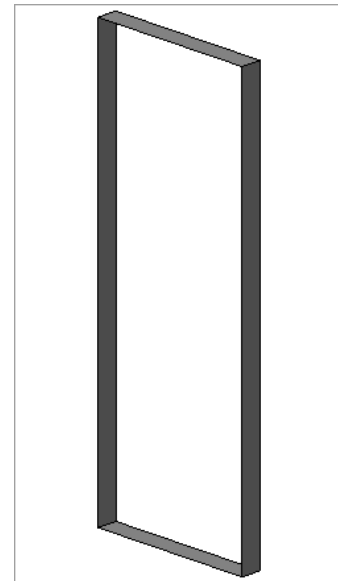

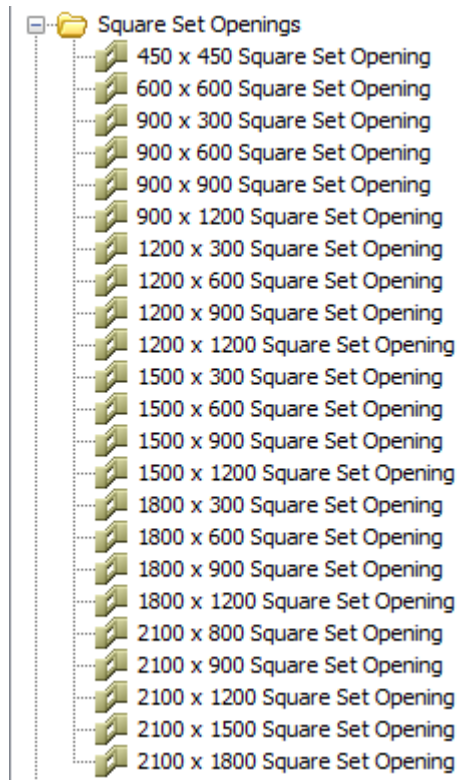

Feature Louvres

# Openings

## Square Set Openings

These opening also cater for quantities to set each corner.

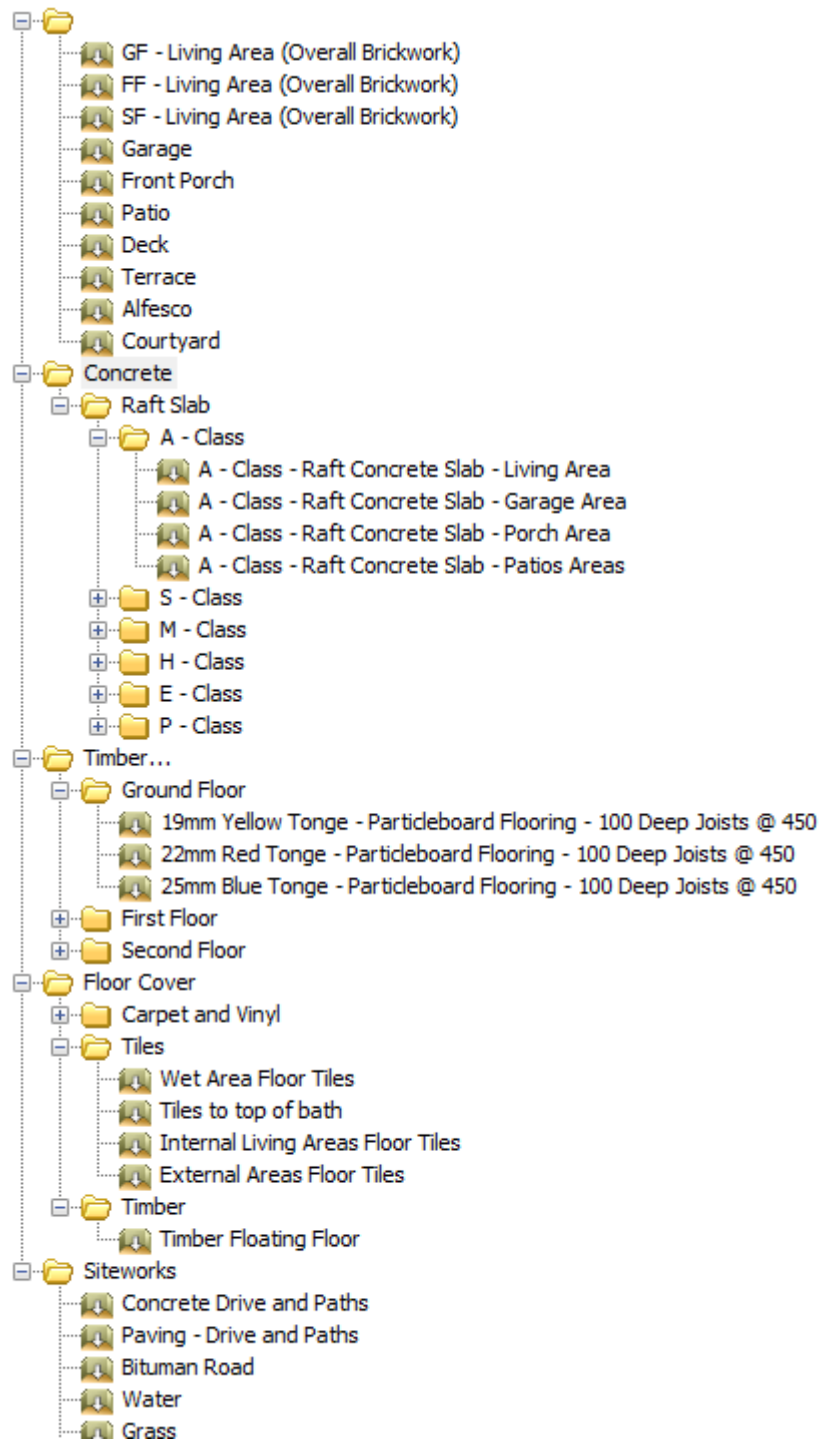

# Floors

## Floors

The floors cover:

- ❖ Areas: This allows for labour costs.
- ❖ Concrete Slabs: In each class.
- ❖ Timber: Catering for the standard Yellow, red and Blue tongue sheets.
- ❖ Carpet and Vinyl
- ❖ Floor Tiles
- ❖ Timber
- ❖ Siteworks

# Roofs

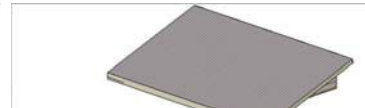

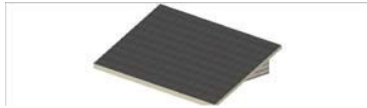

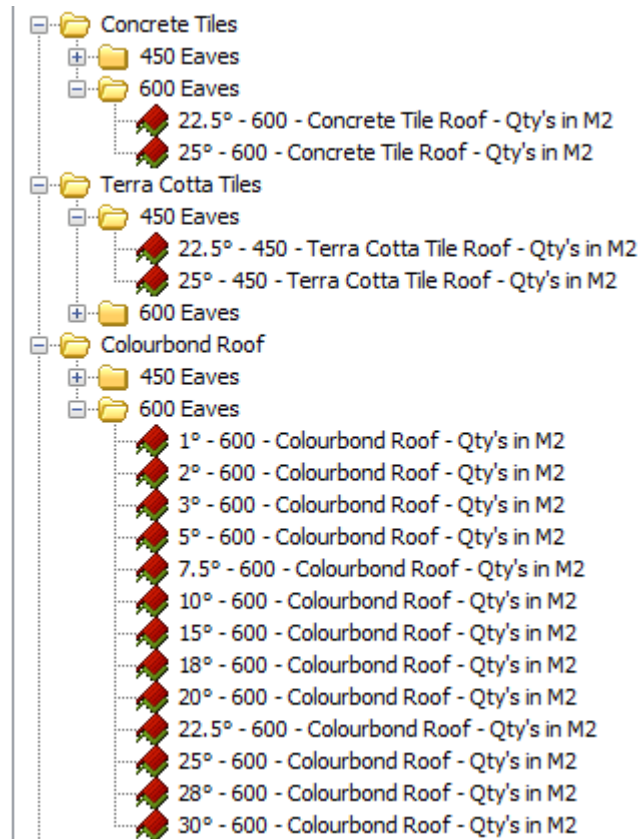

## Roofs

The roofs cover:

- ❖ Concrete Tiles
- ❖ Terra Cotta Tiles
- ❖ Colourbond

Each group consists with settings for 450mm and 600mm soffits.

All roofs are setup to quantify roof area and hip, ridge capping and valley gutters and fascia and gutter.

# Railings

## Balustrade

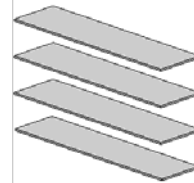

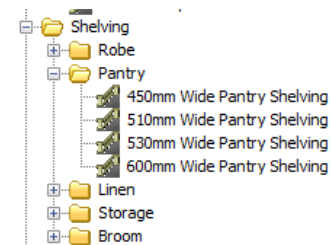

## Privacy Battening

## Shelving

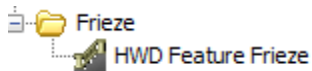

We use rails to give us shelves, we find it easier.

- ❖ Robes
- ❖ Pantry
- ❖ Linen
- ❖ Storage
- ❖ Broom

## Frieze

Feature used under front portico.

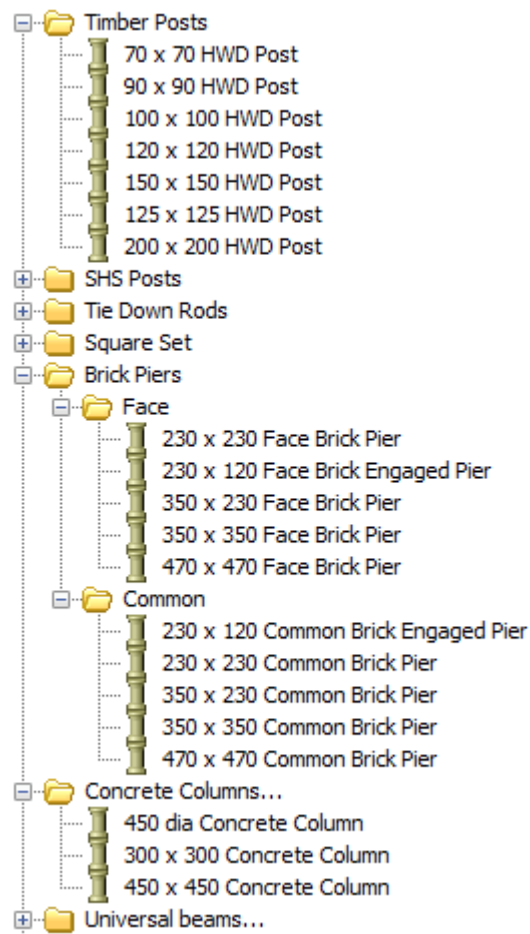

# Columns

## Columns

We use and cater columns for:

- ❖ Timber Posts
- ❖ SHS Posts
- ❖ Tie Down Rods
- ❖ Square Sets
- ❖ Brick Piers
- ❖ Etc.

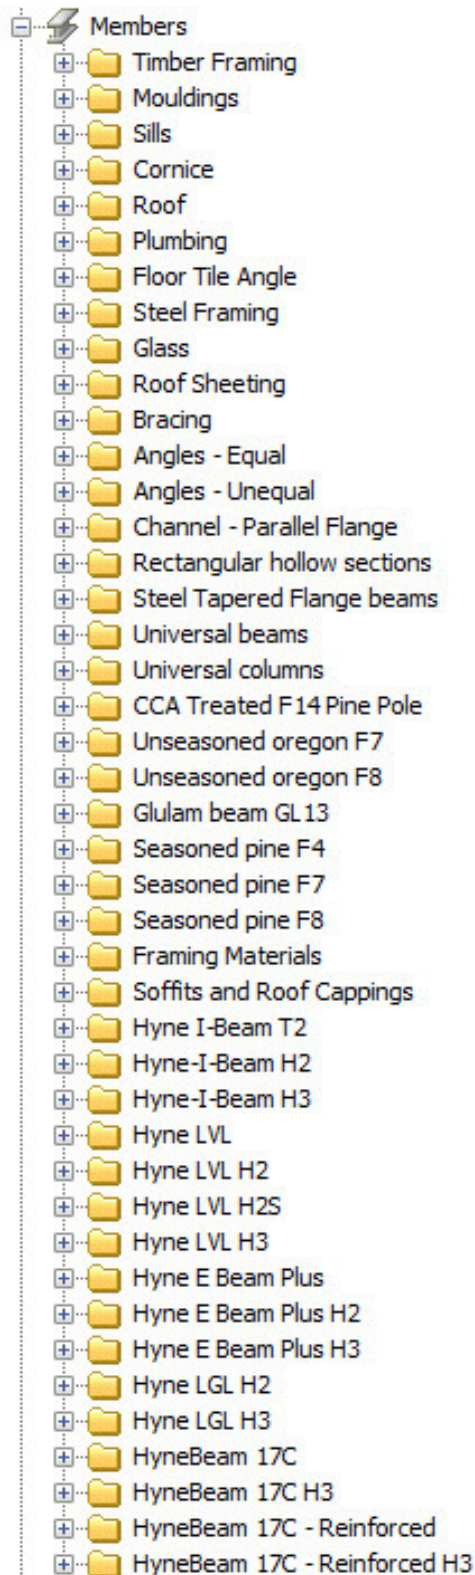

# Members

## Members

We use and cater members for:

- ❖ Framing
- ❖ Mouldings
- ❖ Roof members
- ❖ Plumbing
- ❖ Drainage
- ❖ Etc.

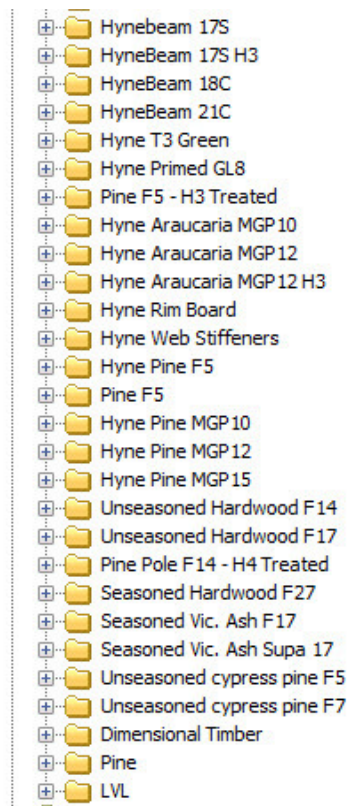

# Members

## Members

We use

and cater members for:

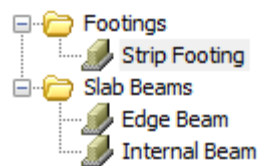

- ❖ Framing
- ❖ Mouldings
- ❖ Roof members
- ❖ Plumbing
- ❖ Drainage
- ❖ Etc.

## Footings

We cater for:

- ❖ Strip
- ❖ Edge beam
- ❖ Internal beam *(Note: We only have three, as there are many types depending on your engineer's details. So we find it easier to have the one item and once in place change the properties to match your engineers details to gain correct quantities.)*

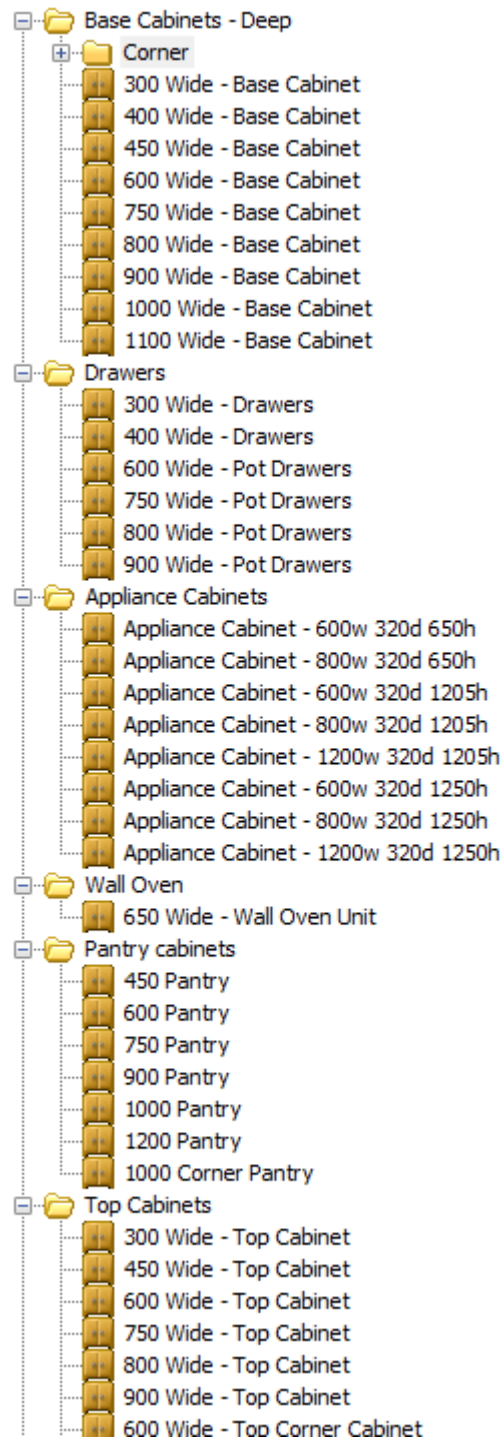

# Cabinets

## Cabinets

We cater for:

- ❖ Corner Cupboards
- ❖ Base units
- ❖ Drawer units
- ❖ Appliance cupboards
- ❖ Wall oven unit
- ❖ Pantry units
- ❖ Top cupboards
- ❖ Vanities
- ❖ Laundry units

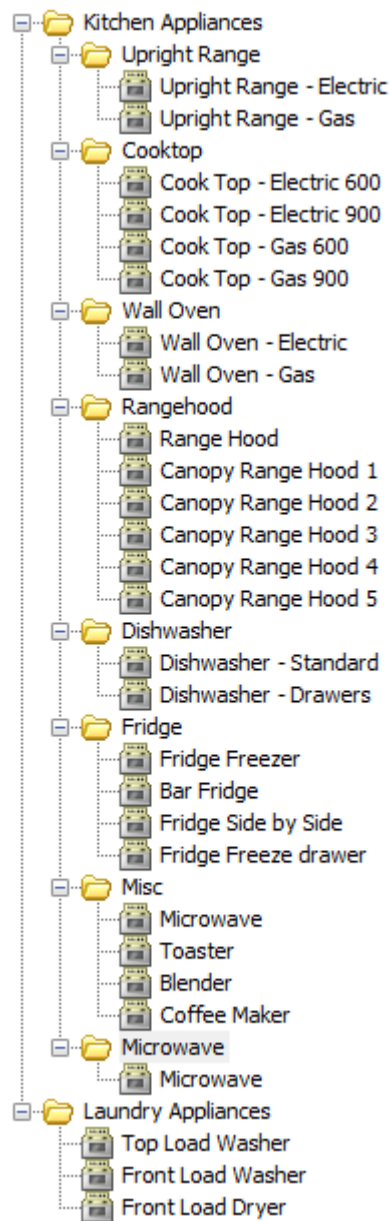

# Appliances

## Appliances

We cater for:

- ❖ Gas and
- ❖ Electric

These items are quantified and where necessary have labour fitting content.

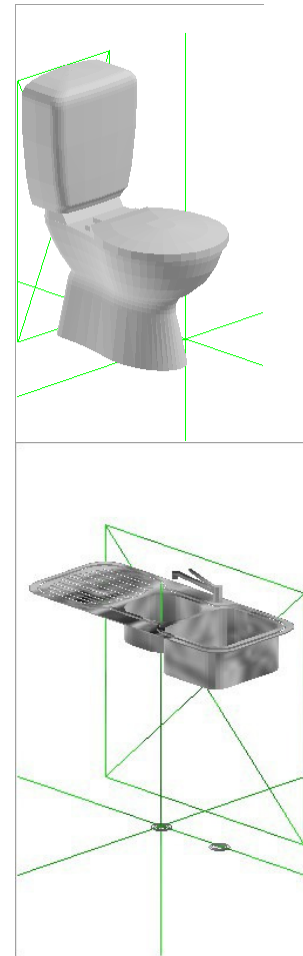

# Plumbing Fixtures

## Plumbing Fixtures

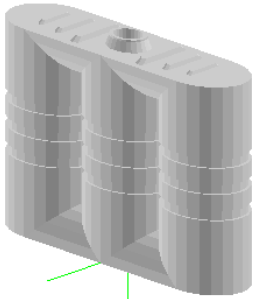

We have tried to cover fixtures that are Australian, refer to the image to see some examples.
